July 8, 1998

At Electronic Connector (ECCO) service is our technology. We are committed to continuously improve service to our customers and have developed a quality policy which documents our commitment to quality.

**E** Excellent employee performance

**C** Customer satisfaction

**C** Commitment to quality

**O** Ongoing improvement

The management team at Electronic Connector will be responsible to ensure that this policy is communicated, understood and maintained at all levels in our company.
